## Message from the Principal

### Dear Columbus Family

With a great sense of pride, I present to you the first edition of our school's newsletter, 'Columbian Chronicle' (to be published quarterly).

**“Whatever good we see in our world today is because of an educative mind behind it.** We at Mount Columbus School truly believe it. You can learn a lot about a place by simply walking around and observing. Our school has a warm, genuine and happy feel. Each day I am greeted with happy and engaged students who are involved in purposeful learning. Our students are proud to say that they are a part of Mount Columbus School and we in turn are proud to have them. Whether it be the contribution they make to the interschool sporting teams, the fantastic artwork they produce, their confidence to speak in front of a large audience, by their participation in different competitions the support they provide their friends in times of need - all makes me swell with pride.

## DIWALI MELA

Mount Columbus School organized Diwali Mela in the school premises on 19<sup>th</sup> Oct., 2019. Various games, stalls and food counters were arranged by the students of Mount Columbus School.
