MURAL ART COMPETITION

Art activities help instill a sense of achievement and pride in children, boosting their self-confidence.

The opportunity to create whatever a child desires helps foster creativity. With this thought in mind MCS organised Inter-House Mural Art Competition for class IX- X on 22nd April 2022.

NILE HOUSE

The primary aim of the competition is to nurture creativity and talent and to promote an artistic bent of mind amongst young artists. It was the first Inter-House activity of 2022-23. Four students were selected from each house. Theme for the competition was 'Sustainable Development'. Students showed great interest in participation.

Jingle Making Competition

One of the most important way of learning is by the 'Extracurricular Activities' that helps a child to explore different areas of interest, increase self-confidence, build leadership skills and even improve grades. A competition 'Create A Jingle' was organised in our school premises on 6th May, 2022 for Classes VI-VIII.

It was a house activity in which one participant from each house was selected to create a jingle on any product of their choice. Then one by one each participant narrated their jingle on stage showing their product for which they were given 2-3 minutes each.

"What makes a child gifted and talented may not always be good grades in school, but a different way of looking at the world and learning."

Eco-Club

Earth is what we all have in common. It is our prime duty and responsibility to join hands and make every effort to safeguard our beautiful planet from ecological threats. It seeks to demonstrate that the power of individuals can contribute to revitalising soil and ecology. On this World Earth Day, all the staff members and students of the Mount Columbus School vowed to shun plastic. Students gave speeches, designed slogans, poem recitations, letter writing, and creative posters on "Say No to Plastic and Save soil" in classes and understood the importance of eliminating plastic from our lives and protect soil.

SAY NO TO SINGLE
USE PLASTIC

We can make the world a better place to live, just by not using the plastic. As teachers also made the students understand about the problems caused by plastic and stop the use of plastic as it releases toxic chemicals that can cause serious illness. Also, students of class IX performed a Nukkad Natak on say no to plastic. Students also understood that we must support farmers to transition to agro ecology, farming with nature to regenerate soils. Students of all classes actively participated in this activity and showcased their talent.

Mother's Day Celebration

Mother's day is a special day for all children and mothers as it celebrates the bond of love and affection that is everlasting. Mothers are the emotional backbone of the family, who have the magic touch to heal all wounds and make all things beautiful. At Mount Columbus School holistic progress of children is of prime importance. It has created a conducive atmosphere for academic learning as well as various life skills like developing confidence, effective communication, critical thinking and so on.

"A Mother is she who can take the place of all others, but whose place no one else can take"

A Talk Show was conducted in the school to enlighten the students regarding the significance of Mothers' Day. The purpose of the Talk Show was to instill the value of celebrating Mothers' Day not only for their mothers but in a safe, green and eco-friendly way for Mother Earth by planting trees. This Talk Show was one of the many initiatives taken by the school to keep the students motivated and inspired. All participating children from classes 9th and 10th performed with much enthusiasm and passion. They all verbalized a few lines, songs etc beautifully about and for their mothers. Everyone was entertained by myriad presentations by the students.

No Tobacco Day

31st May 2022 was a glorious day in our school as the "No tobacco day" program was organised by school authorities and backed up by student volunteers

We as a part of Mount Columbus trying to set the benchmark for conducting activities in such a way that the students not only enjoy but also learn a great deal from it. With the same perspective in view, the interclass competition was held in the month of May 2022 for classes IX & X.

"Tobacco is the only industry that produces products to make huge profits and at the same time damage the health and kill their consumers."

The topic given to our students was 'say no to Tobacco, keeping in mind that health is a major concern and as students definitely take a step towards making our country healthy.

Our students collected and crafted materials to decorate the board in such a manner to spread awareness and knowledge about the harmful effect of tobacco on health. They had to represent and also explain their board to enlighten others about this. Our principal ma'am encouraged our students to come forward and speak well to elaborate

INVESTITURE CEREMONY 2022

The sunny May morning saw impeccably dressed students, ready to shoulder all the responsibilities coming their way at the Investiture Ceremony.

This was a crucial day, marking this ceremony which is held with utmost regard at school.

Building capable leaders of the future, badges were conferred upon the Student Council. These badges are a symbol of the duty and responsibility towards the school, taking charge and making decisions as representatives of the entire student body.

'Serve with Pride, Lead with Confidence!'

The 'Investiture Ceremony' for the academic year 2022-23 was held on 25th May 2022 at Mount Columbus School with great solemnity. There was an aura of expectancy as the beaming faces of the selected student council members marched into the gathering. Captains and Vice – Captains were bestowed upon with the responsibility and they received their prestigious badges and sash from the Principal Ms. Aditi Roy, Coordinators, and House Masters. The Prefect Council Members then administered the oath where in students pledged to serve the school and fulfill their responsibilities to the best of their abilities.

To inculcate the leadership qualities in students and give them the feel of Indian election process, the school prefect body was elected by the students.

On the day of the election the students from Std. IX and Std. X cast their votes for the nominated candidates, who they felt would be ideal representatives from the six houses namely- Amazon, Hudson, Indus, Nile, Onyx, Thames.
