ENGLISH

- Q1. Draw and describe a new shape for an ice cream cone that's fun to eat.
- Q2. Imagine you are an ice cream cone inventor. What new flavor of cone would you create?
- Q3. Write a fun name for a new ice cream cone shop.
- Q4. Create a new way to decorate cones to make them more exciting for kids.
- Q5. Design a cone that doesn't drip when the ice cream melts. What would it look like?
- Q6. Imagine you are at a fair like the one in 1904. What kind of cone would you give to people to make them happy?

हिंदी

- प्रश्न -1. आप एक फिल्म निर्माता हैं, तो सूर्यग्रहण पर आधारित एक छोटी फिल्म का स्क्रिप्ट लिखिए
- प्रश्न -2. अगर सूर्यग्रहण को एक चमत्कारी घटना माना जाता है, तो उस पर आधारित एक काल्पनिक संवाद लिखिए, जिसमें सूरज और चाँद बात करते हों।
- प्रश्न -3 अगर आपको सूर्यग्रहण के बारे में एक किताब लिखनी हो, तो उसका शीर्षक और पहला पैराग्राफ क्या होगा?

MATHEMATICS

- Q1) . Create a recipe for a fruit salad using different fractions of ingredients. What would your fruit salad consist of?
- Q2) Write a rhyme or rap to help remember how to find a common denominator for adding fractions.
- Q3) . Create a magic square of like fractions so that sum of like fractions along each row, each columns and each diagonal should add up to magic number 15/11.

EVS

- Q1. Draw a simple map of your classroom, labelling the different areas (e.g., teacher's desk, bookshelf, door).
- Q2. Design a map of your school or neighbourhood, including important landmarks and features.
