**Read every day.** Watch informative programs in Discovery channel, National Geographic channel etc. Revise the concepts taught in class.

# SUSTAINABLE DEVELOPMENT GOALS

**The Sustainable Development Goals are the blueprint to achieve a better and more sustainable future for all. They address the global challenges we face, including those related to poverty, inequality, climate, environmental degradation, prosperity, and peace and justice. The Goals interconnect and in order to leave no one behind, it is important that we achieve each Goal and target by 2030.**
